

2025 JUNIOR REPRESENTATIVE PROGRAM

Netball Queensland is yet to determine if White teams in both Junior and Senior playing groups will be invited to Netball Queensland's State Age Competition.

We cannot confirm this until Netball Queensland does, as soon as we have been advised we will advise all players involved.

We still have White teams to continue our commitment to developing our players.

They may not attend Netball Queensland's State Age Competition but will attend all other day carnivals.
